WALDRON B. HALEY, Treasurer.

Barrington, N. H., Feb. 21, 1910.

We certify that we have examined the foregoing accounts and find them properly vouched and correctly cast.

ELMER E. WIGGIN,
A. B. LOCKE,
Town Auditors.

REPORT OF THE SCHOOL BOARD.

To the Parents and Citizens of Barrington,

Following the custom of past years the School Board begs leave to submit a brief report of the year's work; and also some of the needs of the immediate future.

The same number of schools as in the past few years (eleven) have been successfully maintained.

There has been an average of thirty-one weeks in nearly all of the schools.

The attendance during the spring and fall terms was excellent, but the winter term has been somewhat broken by an epidemic of tonsilitis and bad colds in many of our schools.

We have had very competent teachers in our school year; and by their faithfulness in school work have kept up a keen interest among the pupils which has made the advancement in all branches of study very noticible.

Our money voted for repairs has been used in repairing the out buildings at the Hale, Swain and Town Farm Schools, in patching up places where the ceiling has fallen down and whitening the discolored ceiling in the France School.

The shingles on one side of the roof of the Pond Hill school house were in a bad state of decay so that it had to be newly shingled to preserve the inside.

There are several of our school houses that need repairs on both inside and outside, and especially the Town Farm, which is serriously in need of a thorough renovating on the inside so that it may be comfortable for the children during the cold weather.

It needs to be newly plastered, and a new floor, also new desks of more modern style.

The geographys were so worn and out of date that we decided to put in new ones so substituted Marton's in place of the old ones, and we find them to be a great improvement onthe old ones.

We most sincerely appreciate the generosity of our citizens in the past for voting a liberal amount for repairs and hope trust they will be equally generous this year so that we may be able to continue the much needed repairs on our school houses.

We would like to ask all the parents and citizens of Barrington who are interested in the welfare of our schools and the youth of our town to attend the school meeting and help us raise the money for the repairs and maintainance of the schools of Barrington for the coming year.

LINNA M. B. LOCKE,
ANNA G. WEEKS,
ANGIE BUZZELL.
